Since 1964 the Brady Family has been bringing competition, quality instruction and fun to camps since the first Cheerleading camp run by Elaine Brady (Mom!). Sons, Kevin and Kip, and daughter Kara were all naturally drawn to athletics where they all competed and excelled (*tennis in particular*). At 16, Kara won the national doubles tennis title and all three of them earned college tennis scholarships. Kip played professionally on the ATP Tour for five years. Kevin's wife, Lila also earned a college scholarship and has been teaching pro for over 20 years.

Expanding on their mom's success, Kevin and Kip started The Brady Tennis Camps in 1990 and their popularity is still growing & is known worldwide. The Brady Camp brand now rates in the top 25 in the world by Tennis Resorts Online. Pickleball and the Brady family were a natural fit, incorporating decades of their experience playing, coaching and teaching camps that are competitive and fun! With over 53 years experience providing the best possible athletic training camps, the Brady family has now developed the Brady Pickleball Camp where all of their knowledge and connections are shared with you in a world class venue.

As a player Kara went from a 4.0 to 5.0 Open player in 6 months, won Gold in the 2017 CA State Games Womens 5.0 & Bronze in the Mixed 5.0. Also Bronze at a Southern CA Women's Open against some of the best players in the world and is a sponsored player by Engage Pickleball.
